cases the weight of deposit was about the same, thirty grains per square yard, or six tons per square mile. Proceeding to analyze the deposit collected at the more densely inhabited locality, there was found about 40 per cent of mineral matter to 36 per cent of arbon, while the analysis yielded 5 per cent and 14 per cent of sulphurous acid and hydrochloric acid, respectively. There was also a considerable proportionviz., 15 per cent-of hydrocarbons, to which was attributed the familiar oleaginous character of fogs as we know them.-Contemporary Review.

A CHASE THAT FAILED.

Suspected Opium Dealer Watched But no Evidence Is Found.

Deputy Sheriff Chillingworth spent ome hours last evening on a case that for a time seemed to be a promising one, but which turned out to be only a wild goose chase. A well known Chinese started out early in the evening Judge Wilcox Failed to See the in a hack with a large sack of money concealed about his person. Information came to the Police department of the matter and Mr. Chillingworth started after the man, for it was be-Police are guarding the house of lieved that he might be going after Yang Wei Pin, Chinese Consul to Ha- opium, his actions were so strange and

It was as- and suave-mannered "gentlemen" know how, of Mr. Denzo Sato, a shizoku of Fukushima prefecture, who is at present domiciled at No. 6 Okecho, Mr. Crabbe is the father of Clarence Kyobashi ward, city. Soon afterward the man Teru says to his would-be victim: "If you want to enter into business, I tell you the best paying one is the patent medicine business.". That he was soon earnestly wishing to begin. that the Chinese was wholly to blame It was easy enough: the two should start a partnership. But without a capital of at least 2,000 yen, the business could not be made to pay and the two should jointly borrow that sum. That, too, would be easily done, for one Kumazawa, a money-lender living in Kagura-cho, Ushigome ward, would accommodate them. Mr. Sato had no

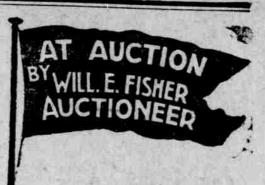

objection to the arrangement. On the day following the conversation, in comes Teru and says: "Well, I saw Kumazawa, and he is quite willing to let us have the money whenever we are ready. And now, Mr. Sato, I want you to let me have ten yen that may buy the necessary revenue stamps. I would also like, for a certain reason which I will tell you afterward, to have the loan of your best clothing that I may go well-dressed to another party." Mr. Sato did not quite see, as Teru did, the necessity for all this; but District to let. Rent, \$45. somehow or other the latter had the best of the argument and the former reluctantly yielded to his importunities. Teru went out of Mr. Sato's house the moment after and that was the last seen of the man. The poor victim reported the whole transaction to the Kyobashi police on last Saturday .-Japan Times.
